## Four-Power Meet May Fail

### Italian Colony Query Unsettled

Paris, Sept. 13.—(AP)—Delegates of the big four powers disagreed today on whether they constitute a foreign ministers' council, leaving scant hope they can work out an accord on the future of Italy's pre-war colonies before a Sept. 15 deadline.

After the fruitless first session, Etienne Burin Des Roziers, French colonial expert, said only that the four nations might agree on one of the colonies, Italian Somaliland. A British spokesman said he saw little chance of any agreement. Soviet deputy foreign minister Andrei Vishinsky accused the United States and Britain of violating the Italian peace pact by failing to send the foreign ministers to the conference.

**Douglas Retaliates**  
He got a quick answer from Lewis Douglas, U.S. ambassador to Britain and Hector McNeill, British minister of state. They told Vishinsky they were fully authorized to take decisions on the colonial issues in the name of their respective governments.

Vishinsky said he did not have that authority. He said he could only discuss settlement of the questions. Most of today's meeting therefore became a lengthy argument as to whether or not it was in fact a foreign ministers' council as established by the Potsdam pact.

Vishinsky said it was only a conference of "representatives" of the "Big Four" powers to discuss the Italian colonial question.

**Schuman Supports Douglas**  
French Foreign Minister Robert Schuman supported Douglas and McNeill.

Without reaching a decision on the point the conference adjourned until 11 a.m. tomorrow (4 a.m. central standard time) when the report on the Italian colonies will be considered.

Today's session in the French foreign ministry with Schuman presiding broke up after four and a half hours of discussion.

Unless an agreement on disposition of the colonies is reached by Wednesday the subject will be given to the United Nations assembly, which convenes here Sept. 21. The colonies are Libya, Italian Somaliland and Eritrea.

## Progressives Plan More Speeches At West Frankfort

Chicago, Sept. 13.—(AP)—West Frankfort, Ill., where the Progressive party candidate for senator was the target of stones recently, will see more of the party's candidates.

Grant W. Oakes, Progressive party candidate for governor, said Saturday that he planned to carry his campaign into West Frankfort. Oakes, president of the CIO Farm Equipment Workers union, told a rally that the tossing of stones at Curtis D. MacDougall didn't frighten him.

"We're going back to West Frankfort to let the people have a chance to hear about Henry Wallace and the Progressive party," Oakes said. "We will not be intimidated, and we will be heard."

Oakes will speak at East St. Louis, Ill., Sept. 21. The date of his West Frankfort appearance has not been set.

## Mount Hibokhibok Quits Erupting

Manila, Sept. 13.—(AP)—Mount Hibokhibok lapsed into smoldering quiet today, after nearly 12 days of volcanic eruption, and the Philippines government began taking stock of the over-all situation.

A government mission, headed by three cabinet officers, left for Camiguin island in the southern part of the archipelago to see what could be done for the estimated 45,000 Filipinos removed since the volcano began erupting Sept. 1 after 77 years of inactivity. Five persons were killed.

**SIANESE TWINS DIE**  
Lansing, Mich., Sept. 13.—(AP)—Siamese twin girls born to Mr. and Mrs. Robert T. Rick of Holt, Mich., on Sept. 5, died late today at Edward W. Sparrow hospital.

The twins were joined at the abdomen and pelvis but otherwise were normal. They had been kept in an oxygen tent since their birth.

Focus, Colo., was so named because a fine view of the Sangre de Cristo range "comes into focus" at this point.

## Says Politicians Direct Suspicion At Scientists

Washington, Sept. 13.—(AP)—President Truman tonight charged that "some politicians" are creating a "totalitarian" climate in this country by directing suspicion at scientists whose work is important to the nation.

"Continuous research by our best scientists is the key to American scientific leadership and true national security," the President asserted.

"This indispensable work may be made impossible by the creation of an atmosphere in which no man feels safe against the public airing of unfounded rumors, gossip and vilification. Such an atmosphere is un-American. It is the climate of a totalitarian country in which scientists are expected to change their theories to match changes in the police state's propaganda line."

Mr. Truman's speech was prepared for the opening session of the American association for the advancement of science in Constitution Hall.

## Violent Hurricane Batters Bermuda Coast For 5 Hours

Miami, Fla., Sept. 13.—(AP)—A violent, recurring Atlantic hurricane battered the Bermuda coast and vacation resort of Bermuda for more than five hours today with winds that raged up to 123 miles an hour in gusts.

Bermuda is a group of British islands about 600 miles off the South Carolina coast.

Grady Norton, chief storm forecaster at Miami, said the hurricane apparently had begun a slow recurve that will take it out to sea without any effects being felt along the United States coast.

Preliminary estimates made while the storm still thundered across the islands placed property losses at more than \$400,000. Main highways were blocked by debris, roads were flooded and telephone service failed.

Commercial radio stations fell silent. Power lines were blown down and streets were strewn with fallen tree limbs. The Eastern Steamship liner Evangeline was reported snug in the harbor at Hamilton.

Heavy rain swirled with the wind, and the city barricaded itself against the blow. Stores opened briefly to permit residents to stock up, then closed again. Buses stopped, and tourists and residents holed up in hotels and homes.

## Court May Rule On Unit School Law At This Term

Springfield, Ill., Sept. 13.—(AP)—The state supreme court today opened a two weeks term during which it may rule on validity of the community unit school law.

The 1947 law, under which 133 community unit districts have been organized, has been attacked as unconstitutional in several test cases. The main case involves an appeal from the Morgan county circuit court which upheld the act in the formation of Waverly community unit district No. 6.

If the supreme court passes on the act at this term, its ruling probably will come next week.

The law provides that a community can group a number of existing school districts into a unit for school administration and operation.

## TEST HELICOPTER WITH 'BUZZ BOMB' ENGINES

Washington, Sept. 13.—(AP)—A helicopter which uses jet engines of the German V-1 "buzz bomb" type on its rotor tips has been tested on the west coast.

Marquardt Aircraft company of Venice, Calif., builders of the craft, announced today the strange machine had been tested first at the Muroc air force base and later at the Torrance, Calif., municipal airport.

The department also recommended that farmers plant the same amount of spring vegetables as they did last year—490,000 acres. It suggested these increases: beets and carrots, 20 per cent; lima beans 15 per cent; snap beans 10 per cent; onions and green peas, seven per cent; shellots, five per cent.

Other recommendations: Spring cabbage—two per cent lower; cauliflower 10 per cent smaller; spring tomatoes—same as 1948; except in Texas "where a large increase has occurred and where serious marketing difficulties threatened producers in 1948."

## OWES TWENTY-FOUR YEAR LAUNCH BILL

Iowa City, Ia., Sept. 13.—(AP)—Mrs. Mary Petru says James Masek owes her for 24 years of weekly wash.

Mrs. Petru filed suit in Johnson county district court today seeking to collect a \$1,196 laundry bill from Masek.

She asserts she has done his laundry every week (\$1 a week) since 1924 and never has been paid.

## Indian Troops In Hyderabad Sweep Into Rich State From 4 Sides

New Delhi, Sept. 13.—(AP)—Indian troops with air and tank support swept into Hyderabad from all four sides today and in one thrust were reported possibly within 60 miles of the capital of the rich princely state.

Forces jumping off from Bezawada near the southeast border of the predominantly Hindu state advanced 40 miles across the frontier in a drive toward the capital city of Hyderabad and adjoining Secunderabad, site of army installations and ammunition dumps, Madras dispatches said.

A late report from Madras said Hyderabad had been cut off from all outside communication. The trunk telephone line between Hyderabad and Bezawada reportedly was closed by Hyderabad authorities.

**Meet Little Opposition**  
Dominion forces generally met little initial opposition. The first Indian communique tonight reported "steady progress in all sectors."

It said several columns had penetrated Hyderabad territory since the march began at 4 a.m.

In Karachi, word of the invasion touched off demonstrations demanding that Moslem Pakistan declare war on India.

Lt. Gen. Shri Rajendrashinji, Indian commander-in-chief, had formed the people of Hyderabad in a proclamation that the Indian army was coming to prevent their state from becoming "the home and focus of anarchy."

The Indian communique said the most serious opposition was met at Naldurg on the western border along the Sholapur-Hyderabad city road.

**'Severe Fighting' At Naldurg**  
The communique said Naldurg fell after "severe fighting and considerable casualties" for the defending forces.

Other columns were reported driving into the state from across quickly-seized bridges on the Tungabhadra river in the south in the Hosur sector; from Bezawada on the east and in the Aurangabad and Balharshah sectors on the north. Secunderabad is at least 140 miles from the jumping-off points used by the Indian troops. It is 280 miles from Aurangabad, 170 from Balharshah, 160 from Sholapur, and 140 from Bezawada.

The state—about the size of Minnesota—is a land island surrounded by Indian territory. India claims disorder is rife in Hyderabad and that the famously rich Nizam (ruler) has refused to disband private Moslem armies such as the Razakars. The Nizam also is understood to have strong state forces at his command.

The state and the dominion have been at odds for months because the Nizam, Gen. H. E. Sir Mir Osman Ali Khan, has refused to accede to Hindu India.

India said in the invasion proclamation that as soon as "a government which will maintain a rule of law and conform with the will of the people is established" the troops will leave. It also was announced that the people then would be given an opportunity to decide their future, apparently through a plebiscite.

## RADIO TOWER FALLS

Ottawa, Ill., Sept. 13.—(AP)—Ottawa's 85-foot police radio tower toppled today.

A city street department truck backed into a leg of the tower causing it to fall on the lawn of Ottawa's city hall. The tower barely missed the hall and some parked automobiles, but no one was injured.

## ARMY FLIER SHOOTSELF ACCIDENTALLY

Northampton, Mass., Sept. 13.—(AP)—Capt. Maurice T. Ritenour, 30, of Westover air base, died at Cooley Dickinson hospital yesterday of wounds suffered when his 45 automatic pistol discharged accidentally.

Police said Ritenour was shot over the right eye while demonstrating to a neighbor, Mrs. Shirley Kowalski, how to shoot the army pistol. The accident happened in the cellar of his home Saturday night.

He formerly lived at Mt. Carroll, Ill.

## Sentence Germans Who Participated In Anti-Red Riot

Berlin, Tuesday, Sept. 14.—(AP)—The Soviet-licensed news agency ADN said today five Germans who took part in the disorders that followed an anti-communist meeting here last Thursday had been sentenced to 25 years in prison.

The giant anti-communist rally was followed by violence at the Brandenburg gate. A border marker between the Soviet and western sectors of Berlin. A German youth was killed and several persons were wounded in a clash involving Russian soldiers, Soviet sector German police and members of the crowd.

The news agency said the five, who were "arrested on the spot," had been sentenced to 25 years at hard labor for "crimes against public order, the lives of peaceful inhabitants and the Soviet occupation troops."

## Union Offers 3 Proposals To End Harvester Strike

East Moline, Ill., Sept. 13.—(AP)—A CIO union chief said today the union has offered three alternative proposals for settlement of the nine-week-old strike at International Harvester company's East Moline Works.

Some 3,000 workers are involved in the work stoppage.

Arvid Sheets, president of the United Farm Equipment Workers local here, said the union's proposals to end the strike were made at a meeting with local pastors over the week-end.

Sheets said the union offered to end the strike:

If the company will agree in writing to continue to pay the same rate spread for the four occupations, which were reclassified by the company, for the duration of the current contract, or:

If the company will agree to settle the dispute according to a formula used as a basis of agreement in the 1947 strike at the company's formal plant, or:

If the company will rescind its reclassifications and wage cuts and submit the two issues to arbitration.

## Quincy Resident Drowns In River

Quincy, Ill., Sept. 13.—(AP)—John Wesley (Wack) Hughes, 43, a native of Mexico, Mo., and a resident of Quincy at various times for nearly 20 years, drowned early today in the Mississippi river here near the Hampshire street landing.

Hughes and three companions were returning to Quincy from a camp on Bay Island. W. Pay McLintine, one of the party, fell out of the boat about 50 feet from shore and Hughes either jumped in to try to rescue his companion or was thrown into the water when the boat tipped as McLintine fell.

Hughes was wearing a life preserver and was not injured.

## AMOS 'N' ANDY MILLIONS

Even the give-away programs can't stop the onward march of Amos 'N' Andy. Amos (Freeman Gosden) and Andy (Charles Correll) have just pulled off a deal that would make their own Kingfish envious by selling their act (name, personalities and all future rights) to the Columbia Broadcasting System for two million dollars.

Presumably this is to be classified as a capital gain instead of income, which means they will keep, roughly, one-and-a-half millions of the sum instead of half a million. With that much money in their jeans, Amos 'N' Andy won't have to worry about the high price of pork chops for some time to come.

But the question is raised whether a network can successfully carry on a show that has achieved its great success because of two remarkable personalities. Gosden is 49 and Correll 58. The network intends to keep producing the show when both step aside. The two stars will endeavor to train successors who will carry on as though nothing had happened.

We'll have to see it before we believe it. The Amos 'N' Andy idea itself is one of the oldest on the American stage. And this act started out as Sam 'N' Henry. But it always had Gosden and Correll. They won't live forever.

## Predict Victory For Democratic Party

Predictions for victory for state and national Democratic candidates were heard frequently during a conference of 20th district party leaders here Sunday afternoon, at which plans were made for an aggressive campaign leading up to the November election.  
Harry Hershey of Taylorville, Democratic state chairman, and Rep. Paul Powell of Vienna, Ill., downstate campaign managers, told county chairmen and committeemen that success of the party in this district hinges largely on their own activities in getting out the vote.  
Joe Knight of Dow, chairman of the downstate finance committee, was another speaker.  
County chairmen, committeemen and from throughout the 20th district gathered at the Dunlap hotel at 2:30 p.m. to hear the speakers and help outline campaign activities. Fred A. Cain of this city, congressional committeeman, presided.  
Announcement was made that Adlai Stevenson, candidate for governor, and other Democratic state candidates will visit this city during the campaign.  
Harry Doolin, chairman of the Morgan county committee, was in charge of local arrangements for the district conference. An overflow audience gathered in the banquet room for the conference.

It was announced at the last meeting of the V.F.W. auxiliary that a check will be sent to the V. F. W. National Home in Eaton Rapids, Mich., for the purpose of buying records for the nursery.

Other business transacted at the meeting, at which President Ivadell Smith presided, included plans for the forthcoming bake sale and bazaar to be held in November; reports on the national encampment by Nellie Liming and Agnes McDevitt, and a report on the Labor Day celebration, the profits of which will be used for the relief fund.

The birthday party which followed was in honor of Carrie Smith. Refreshments were served by Anna Young, Margaret Parker and Alice Jackson.

The attendance prize was won by Ivadell Smith.

## Woman Injured In Auto Wreck Near Winchester

A car driven by Elmer Drake of rural route one, Winchester, turned over in a ditch one mile west of Winchester Saturday evening about 7 o'clock as it was attempting to pass a truck.

The truck swerved slightly, causing Mr. Drake to hit the shoulder of the road, where he lost control of the car and overturned.

With Drake at the time of the accident was his wife, Bernice, who sustained a fractured left elbow and severe contusions about the face. She is now patient at Our Saviour's hospital and is under the care of Dr. Harold Norris.

Both Mr. and Mrs. Drake were examined at Winchester by Dr. R. R. Jones. Mr. Drake sustained only minor injuries.

The Drake car, a 1946 Ford was badly damaged.

Corny Tale of a Cat

There's no telling what a cat will do—as witness Buttons, pet of the Merrick Dairy, Merrick, N. Y., who eats four or five raw ears of corn a day. Here Barbara Buff holds one while puss munches.

started test-broadcasts on short waves beamed on North America and the Far East. Listeners are invited to send a report describing the quality and intensity of the broadcast.

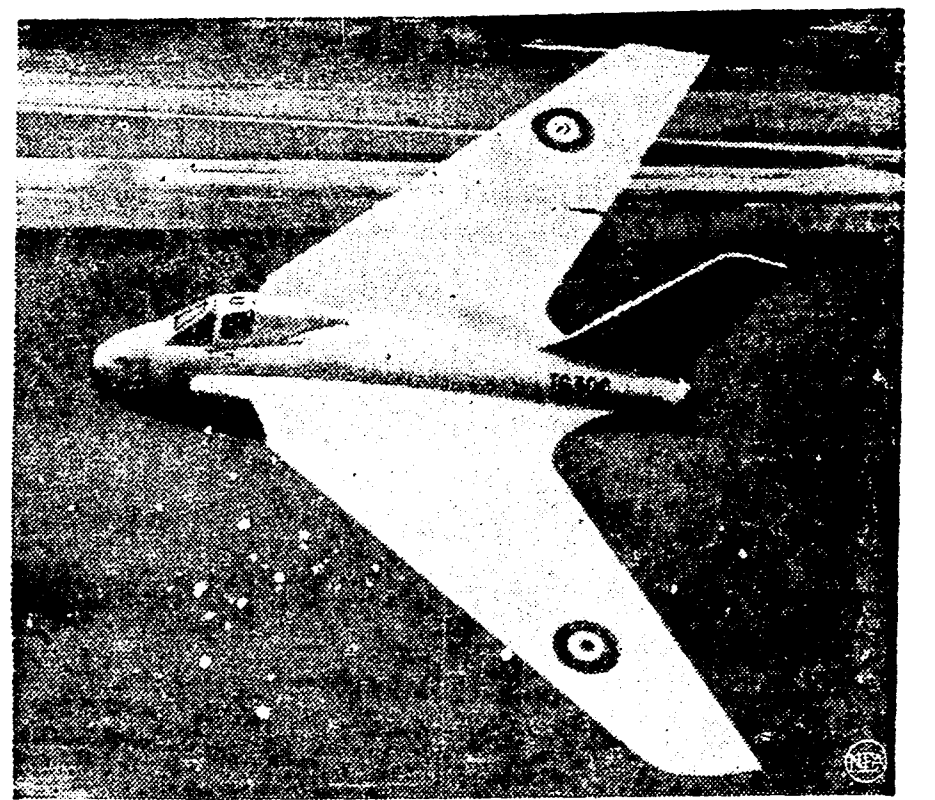

The Corporation has received more than 1000 reports both from short wave amateurs and from "household-listeners" in north, central and western Europe, Canada and U. S. A., Iran, Iraq, India and North Africa.

The Danish Pearyland expedition on Greenland, too, sent a cable stating that reception is fine, but implored the radio corporation to stop sending certain "terrible" Danish popular songs.

Coffee Price Frets Brazilians

Rio De Janeiro—(AP)—There's lots of coffee in Brazil, but the price of a cup is going up. The rising price of coffee is causing the disappearance of the traditional cafes of Rio de Janeiro where in bygone times most of the nation's business was transacted.

Brazil's national drink is the cafezinho (little coffee), which is a demitasse of black, hot, sweet coffee. Brazilians drink coffee not only at mealtime but all during the day. Little coffees are served at mid-morning and mid-afternoon in government agencies and large business houses, while cafes cater to those who have time to leave their work.

For a decade before the war, and even until a short time afterward, the price of a cafezinho was about one American cent. In 1946 it took a 50 per cent jump. Then the government withdrew its coffee subsidy. Cafes then began closing. Fourteen traditional cafes in the center of Rio have closed since 1946. Others began selling fruit and lunches and even American soft drinks. Others abolished the cafezinho and sold only a large cup of coffee, with milk, for 60 centavos, or double the previous price. All restaurants continued to serve cafezinhos free with meals.

A dog's best friend is his man

In all of Nature, there is no counterpart for the deep, age-old friendship between man and dog.

A dog is a social creature. He is a member of human society.

In return for a little kindness, he is ready to give a family all his love, his devotion, his labor, and—if necessary—his life.

Just as people need dogs, so do dogs need people.

And that is why the work of the Humane Societies of this country is so important.

Your local Humane Society helps families who are looking for dogs, and dogs who are looking for families.

It offers expert advice to dog owners on the intelligent care, feeding and training of their pets.

In some cities it provides skilled veterinary service for sick pets, regardless of the owner's ability to pay.

And it performs an important safety service by caring for hundreds of strays that would otherwise wander the streets, a potential menace to health.

Your Humane Society stands always ready to help you. It, in turn, deserves your help.

For this reason, the Chrysler Dealers are sponsoring a radio program, "The Animal World Court," designed to make you better acquainted with the activities of these useful groups.

As an organization devoted to service, we are proud to be able to help the country's Humane Societies in their generous and kindly work.

## Herbert J. Capps Is Summoned By Death

Herbert J. Capps, for 45 years active in the business of J. Capps & Sons clothing factory, died Sunday at midnight at his home, 1121 West Lafayette avenue, after a brief illness.

Mr. Capps was the son of Joseph and Ella Landy Capps, and was a grandson of Joseph Capps, founder of the woolen mills which has been one of the city's leading industries for more than a century. He was born Dec. 30, 1876, in this city where his entire life was spent.

HERBERT J. CAPPS

He studied at Whipple Academy for three years and was graduated in 1895, later attending Illinois College from which he was graduated in 1899. Mr. Capps was a member of Phi Alpha society. During the years since his graduation he continued to attend the meetings, thus making interesting and enduring friendships with each year's members.

Immediately after graduation from college he entered the office of J. Capps & Sons, where he gave continuous and loyal service for 45 years. He became a stockholder in 1903.

Served in War Work  
Soon after the beginning of the war he qualified by civil service examination for an exacting and difficult contribution to the war effort. After a period of training in Milwaukee, he served for the duration of the war as an inspector of air craft at the Emerson Electric Company in St. Louis, Mo. To this important and exacting work he

brought into use his well known ability for accuracy and discriminating judgment.

At the conclusion of the war Mr. Capps returned home and spent the remaining two years in retirement.

Wife, Children Survive  
On Oct. 1, 1903, he was united in marriage with Jennie Margaret Roach at Lafayette, Ind. Besides his wife, Mr. Capps leaves two children, Margaret Capps Corbridge of Chicago and Herbert J. Capps, Jr., general manager of the Horlick Racine Airport.

There are three grandchildren, Sgt. Ronald A. Corbridge of San Antonio, Texas; Joe Reynolds Capps and Scheryl Lynn Capps of Racine, Wis.

For the past 15 years Mr. Capps was a member of Westminster Presbyterian church. At the time of his death he was serving as secretary of the Session.

He was a past commander of the Knights of Pythias lodge and a former member of the Odd Fellows.

The remains were removed to the Reynolds Mortuary, where the family will receive friends Tuesday evening from 7 to 9 o'clock.

Funeral arrangements have not been completed.

## Faculty Greeted New MacMurray Students Monday

The faculty of MacMurray college welcomed new students Monday evening at a reception at 7:30 in the parlor of Main Hall. Dr. Harold Gibson, director of admissions, presented the newcomers to President McClelland, Mrs. McClelland, Dr. and Mrs. Wendell S. Dysinger, Mrs. Roma N. Hawkins, Mrs. Marjorie Cunningham, Miss Dorothy Whitaker, and Mrs. Harold Gibson.

Uppercassman Yvonne Schroder, chairman of S.O.S. counselors, and Dorothy Garner, president of the Student Association, were also in the reception room to meet the new students.

The girls then went to Math Hall social room for punch and a program given by faculty members. A quartet composed of Mrs. Lyeva Plunkett Engleman, soprano, Miss Lucille Haney, mezzo-soprano, Joseph Cleland, tenor, and Henry Busche, baritone, sang several numbers accompanied by Ralph Robbins, Delwin Shaw played violin selections with Hugh Beggs as his accompanist, and Miss Shirley Lewis played a piano group. Mrs. Marian Chase Schaeffer's traditional interpretation of Little Red Riding-Hood provided a feature of the entertainment. Mr. Beggs was chairman of the program.

Refreshments were served later in the evening at Jane and Rutledge Halls, where other members of the faculty and their wives acted as hosts and hostesses, with Miss Mary Waller as chairman. Mrs. Ralph Robbins had charge of serving refreshments with Mrs. Jullienne Shaw, Miss Carrie Spencer, and Miss Betty McCue assisting.

Chairman in charge of decorations was Miss Victoria, with Dr. Elsie Kimball, Miss Lucille Crawford, Miss Margaret Blaine, and Miss Ellen Nudd on her committee.

Mrs. Joseph Cleland was general chairman of the reception and Miss Fidelia Abbott was supervisor of invitations.

There's a story of exclusive values behind these exclusive lines. Come in—see for yourself!

When you point to this proud, glistening grille, any schoolboy can tell you it's a Packard... the car that still looks like itself!

That's because the Packard radiator grille, for nearly 50 years, has been a trademark of precision-built character.

Packard, for example, has always meant precision-built engines. And Packard today is winning new fame with the amazing economy of its new "free-breathing" straight eights!

Packard has always meant masterful roadability. And Packard leads again today—with a "self-controlling" suspension system.

Packard has always meant precision workmanship. And today's Packards are the finest-built Packards ever to bear the name!

It all adds up to a story we'd like to tell you in full... and soon!

Name Dr. Marston As Campaign Chairman

Dr. Frank Marston, pastor of Grace Methodist church, will serve as general chairman of the Morgan County Community Chest campaign. This announcement, made Friday by W. O. Randall, president of the Morgan County Community Chest Board, has been approved by the board of directors and the executive committee.

The drive is scheduled to get underway October 1. Dr. Marston, who has been active in Community Chest campaigns in previous years, plans to run the drive according to a strict schedule which should bring the campaign to a close by October 15.

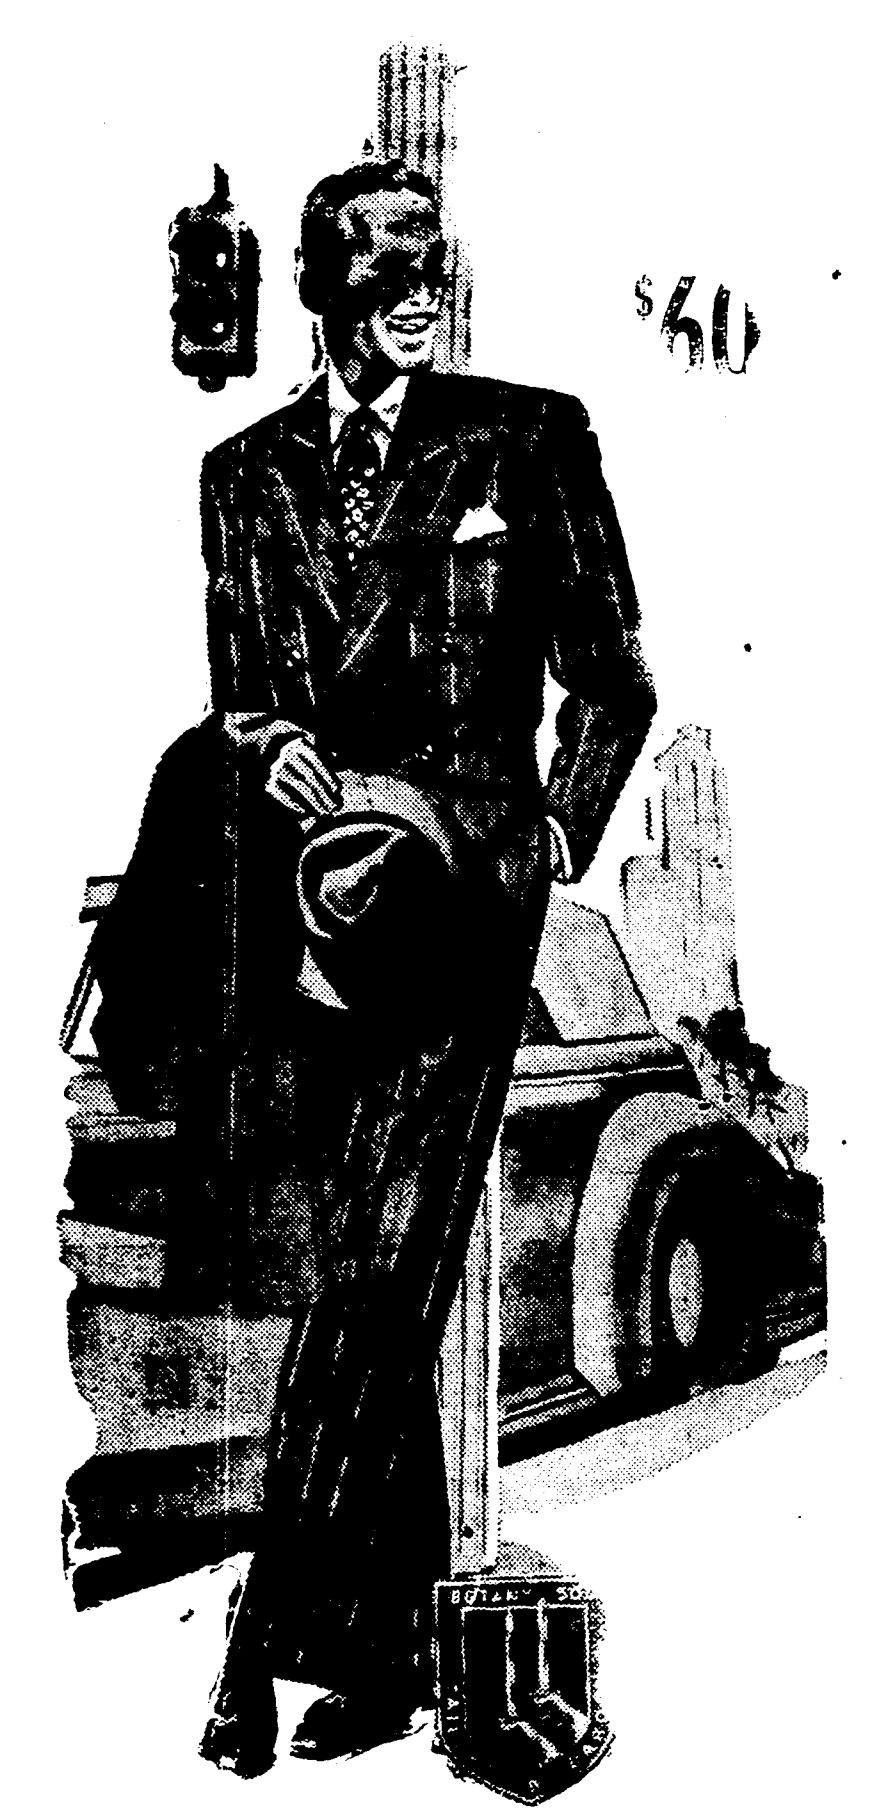

Dr. Marston said he will name the division chairmen in the very near future and that both county and special gifts solicitation will begin as soon as possible. Divisions of the campaign this year will be: commercial, special gifts, national firms, individual, institutions, residential, county and clubs and organizations.

Community Chest headquarters have already been opened in the Chamber of Commerce office, Room 205, Gibson Building. Campaign direction will be handled by the Chamber of Commerce staff.

**Chapin Woman Dies Here Sunday; Funeral Tuesday**

Funeral services will be held Tuesday at 2 p.m. standard time, at the Christian church in Chapin for Mrs. Elva Griffin, who died Sunday at 2 p.m. at Our Saviour's hospital, following an extended illness.

The services will be conducted by the Rev. Fred Wilson and interment will be made in Concord cemetery.

Mrs. Griffin was born on April 15, 1890, the daughter of Austin and Christina McQuinn. She was united in marriage with Elmer Griffin, who survives together with two children, George E. Griffin and Mrs. Irene Baker, both of Chapin.

Also surviving are one brother, George McQuinn of Bloomington; two sisters, Mrs. Mary Moore of Galesburg, formerly of this city, and Mrs. Minnie Griffin of Chapin; four grandchildren, and a number of nieces and nephews.

She was preceded in death by her parents, one brother and three sisters. She was a member of the Christian church in Kansas City.

The body was taken to the Williamson Funeral Home and will be removed to the Joe Baker residence in Chapin at 4 p.m. Monday.

## Legionnaires Win 5-0 For Softball Crown

The Jacksonville American Legion softball team last night combined four hits off Bud Suttles and 11 errors by the Danville Merchants to take a 5-0 victory at Nichols Park diamond and gain their second consecutive city championship.

"Gas House Gang" base-running tactics worked perfectly for the Legionnaires in the fray. Meanwhile Paul Blakeman shut out the losers with five hits as he received errorless support.

**Perfect Ending**  
The victory provided a perfect ending for the Legion's loop campaign. Starting slow, the Legionnaires completed their schedule with a surge while several of the other leading clubs experienced late slumps.

Although they were beaten in their final league effort, the season has also been successful for the Legionnaires. Their finish in second place in the AA circuit marks a tremendous advancement from last year, when they played in and won the title of the B loop here.

Although the final score Monday night was decisive, the tilt was close and interesting most of the way. Two-run bursts in the fifth and sixth tied the fray for the Legion nine.

**Score In Second**  
The initial tally by the winners came in the second inning. With one out Shay singled. He took second as the right-fielder momentarily juggled the ball. Playing off second a considerable distance, Shay drew a throw from the catcher and slid into third base safely. He slid into home after the third baseman juggled a smash by Campbell.

Campbell walked to open the fifth for the Legion. A sacrifice moved him to second and he was safe at third after a long fly into center field by Blakeman. Morris then singled to right field and kept right on going to third base as the outfielder kicked the ball into foul territory. Another error by the third baseman allowed Morris to score with the second run of the inning.

**Wolfe Hits Homer**  
Lasley walked to open the sixth and scored on an over-the-fence clout by John Wolfe. The ball sailed over the left center field barrier.

The contest ended the league sea-

son at Nichols Park. Although weather is still satisfactory for play, the Recreation club has announced that a doubleheader Wednesday will conclude the year. The end of the 5-0 victory at Nichols Park diamond order to permit sowing the grass seed as a step to further improvement of the southside arena. The Wednesday night schedule will be announced today. Officials have revealed that one of the state's leading, Gillespie, is booked to appear in the second contest. Gillespie won its first game in the state tournament at Decatur, then bowed to the Champaign Moose 1-0.

**Browns Dampen Indians Pennant Hopes, Win 3 To 2**

Cleveland, Sept. 13 — (P) — The sixth-place St. Louis Browns dealt a sharp blow to the Cleveland Indians pennant hopes today by grabbing a 3-2 victory on pinchhitter Joe Schultz's ninth-inning single after two triple errors had helped to fill the bases.

The smallest crowd of the season, 7,008 fans, watched glumly as the Browns tied up the score at 2-2 in the eighth and went on to win, battering through four Indian hurlers in the final two frames.

The defeat ended a Cleveland winning string of seven games and cost the home club a chance to gain on the idle Boston Red Sox and New York Yankees. The tribe is now three games back of Boston and a game behind New York.

Pitcher Don Black, who kept the Browns scoreless through the first two frames and gave up only two of their dozen hits, twisted his neck batting in the second inning. He fell to his knees at the plate and had to be helped from the field. Later at a hospital, team physician Edward Castle said the pitcher underwent a "lumbar puncture" of his spine and that his injury "by no means superficial."

Wilson said the police would continue at each school to ascertain that athletic programs involving upper classmen does not circumvent the conference code.

## CHICAGO LIVESTOCK MARKET REPORT

Chicago, Sept. 13 — (P) — While hogs edged upward around 25 cents a hundredweight today, cattle were steady to \$1.00 below their Friday average and sheep were steady to 50 cents less. Cattle arrived in the largest numbers for any day in seven months.

Most good and choice butcher hogs sold from \$24.00 to \$29.25 and a top of \$29.50, which was only sparingly paid. Sows fetched \$23.00 to \$28.00. High-choice steers again matched their record high of \$41.50, most good and choice fed kinds taking \$33.50 to \$41.00. Choice heifers hit a new record peak of \$39.50, topping by a quarter the previous best on this class set July 14. Medium and good beef cows ranged from \$21.00 to \$24.50 and similar grades of bulls from \$23.00 to \$25.00. Good and choice vealers made \$29.00 to \$31.00. Medium and good replacement steers were steady at \$23.50 to \$27.50. Good and choice native spring lambs established their price range at \$26.50 to \$28.75, with the latter value the best for the day. Yearling ewes peaked at \$24.50 and slaughter ewes at \$11.50.

Total receipts included 8,500 hogs; 16,000 cattle, 700 calves, and 5,000 sheep.

## GRAINS LOSE MOST OF EARLIER GAINS NEAR MARKET'S CLOSE

Chicago, Sept. 13 — (P) — A good part of early gains in grains was lost toward the close on the Board of Trade today. Profit-taking, easiness in securities and expectations that the visible supply figures would show an increase in corn stocks caused some late selling.

At one time September corn advanced more than 3 cents, shorts buying the grain aggressively on the way up. Cash prices also advanced. But with the price at the highest point since July, longs offered the gain more freely.

Stocks of corn in store here this week were placed at 446,000 bushels, a gain from last week's low level of 268,000 bushels but still well under last year's 2,297,000 bushels. Open interest in September corn at the start of today's trading totaled 17,385,000 bushels.

Receipts were: Wheat 57 cars, corn 225, oats 43, soybeans 15.

Wheat closed 11 lower to 1 cent higher, September \$2.23-24, corn was 1/2 lower to 2 1/2 higher, September \$1.55, and soybeans were unchanged to 2 cents lower, November \$2.59.

Cash corn advanced 2 to 3 cents, both No. 1 and No. 2 yellow selling at \$2.03. Offerings of cash grain by the country were only moderate, totaling 65,000 bushels.

Soybeans and hard, firm early, fell off toward the close with grains.

## New York Stock Market

New York, Sept. 13 — (P) — Stocks were easier today in a very quiet market. Volume was around 700,000 shares for the day.

All sections of the list declined steadily after a mixed opening that found a few of the leaders making an unsuccessful bid to rise.

Steels, motors and rails were off fractions to around a point, with some of the losses going well beyond a point at times.

Metals were an especially soft spot with leaders off more than a point. The outstanding exception was Cerro de Pasco which added more than a point.

In the final hour losers included Youngstown Sheet & Tube, Rock Island, Santa Fe, Southern Pacific, Richfield Oil, Phelps Dodge, Kennecott, Studebaker and Goodyear.

Among those slightly higher were American Telephone & Telegraph, Union Pacific, Woolworth and Douglas Aircraft.

## East St. Louis Livestock

National Stockyards, Ill., Sept. 13 — (P) — (USDA) — Hogs, 8,000; mostly 25 higher than Friday's average; top 29.50; bulk 20-260 lbs 26-25-75; heavier weights scarce; 160-190 lbs 28.00-29.50; 130-150 lbs 25.50-27.75; 100-120 lbs 22.50-24.50; sows 25 to 50 cents higher; bulk 250-400 lb sows 25.50-27.50; heavier kinds 22.50-24.75; cattle 17.50-20.00.

Cattle, 9,000; calves, 1,800; opening trade slow on steers; buyers inclined to bearishness in face of liberal supply; other classes opening generally steady medium and good heifers and mixed yearlings 24.00-31.00; a few common and medium beef cows 19.00-21.00; odd head good to 22.50; canners and cutters 16.00-18.00; medium and good bulls largely 21.50-23.25; vealers 1.00 higher; good and choice 28.00-32.00; common and medium 17.00-27.00; fairly active inquiry for replacement steers but relatively little done.

Sheep, 2,500; asking sharply higher prices on spring lambs but nothing sold early.

## Chicago Cash Grain

Chicago, Sept. 13 — (P) — Wheat: Sample grade red 2.20; No. 1 hard 2.25. Corn: No. 1 yellow 2.03; No. 2, 2.03; No. 3, 2.01; No. 4, 1.98; No. 5, 1.96. Oats: No. 1 heavy mixed 75; sample grade heavy white 74; No. 2 heavy white 73-74; No. 3 heavy white 74. Rye: No. 3, 1.56.

Barley nominal: Malting 1.80-60; feed 1.00-22. Field seed per hundredweight nominal: sweet clover 10.00-10.50 red top 45.00-47.00; timothy 9.50-11.00. Soybeans: none.

## Champaign Wins Over Jacksonville Nine

Hitting and scoring freely while in his three innings of work, Young yielded only two blows in four frames.

A sizeable crowd witnessed the encounters.

**Box Score:**

Champaign	AB	R	H	E
Hutchcraft, c	4	0	0	0
Moore, lf	4	0	0	0
Hadley, ss	4	1	1	0
Webber, p	4	2	1	0
Beckert, 1b	4	1	1	0
Baumgardner, 2b	4	1	1	0
Squires, cf	3	0	1	0
H. Grierson, 3b	2	0	0	0
Finney, rf	3	0	0	0
Totals	30	5	8	0

The Champaign outfit counted on the first on two hits and an error. Three runs on four hits in the third sailed away the contest for the visiting nine, which won second place in the A. S. A. state tournament at Decatur several weeks ago. The other tally by Champaign came in the fifth on a hit and an error.

Webber and Moore both had control trouble, but otherwise they were practically unstopable. The Jacksonville hits, both of which came off Moore, were flukes. But they helped account for the hosts' two runs.

A walk, a bunt by Allen, an infield hit by Wolfe and a fielder's choice which failed to nip the man at the plate resulted in one Jacksonville run. The other came immediately after when Hutchcraft, Champaign catcher, threw to third in an attempted rundown and hit Allen in the head, allowing him to score as the ball rolled out of reach.

Young had a better time on the mound than did Blakeman. The Legion chucker gave up six safeties

## Buckley Beats Kirkham For City Golf Crown

Displaying his usual accuracy on putts and chip shots, Jim Buckley made a strong showing during an afternoon session at his home Country club course Sunday to defeat Bob Kirkham, 5 up 4, and once again gain the Jacksonville city golf championship.

Two brilliant comebacks by Kirkham during the morning 18 holes at Nichols Park left the match even as the contestants moved to the other course.

**Another Rally**  
A par 33 on the first nine at the park put Buckley one up, but Kirkham came through with birdie three's on the eighth and ninth holes during the second round to tie the match.

It was a brilliant one-under-par 34 on the first nine at the Country club which gave Buckley a three hole advantage. Kirkham won number two the second time around, but faltered as the club champ took three, four and five to gain the decision.

A strong wind made wood shots difficult and both contestants also experienced trouble on the shorter holes. However, both of the finalists came up with some brilliant shots to

## Crimsons Undergo Lineup Changes; Eye Wildcats

Faulty line play was the chief cause of Jacksonville high school's lopsided kicking by Pittsfield Friday night. Coach Bob Kraushaar told his charges during their Monday afternoon practice.

The J. H. S. grid chief set about to improve his club for their home opener against Winchester next Friday night.

Johnny Walker, freshman fullback who started against Pittsfield, reported Monday with a knee injury which will probably keep him out of two games. To provide an adequate replacement, Kraushaar was forced to dip into his already short supply of dependable linemen. He experimented Monday with Charles Runkle in the fullback spot.

The Crimsons will probably show a reorganized line this week. Encouraged with the showing of his ends, Coach Kraushaar moved both Fred Lawson and Richard Gottschall in to bolster his sagging line. This means that Jack Chapman, a sophomore who impressed the coaches last week, may get a chance at a starting end berth. Francis Bunch, a starting tackle last week, also moved in a notch and played at guard Monday. Harvey Meyer took over one end.

Although the changes were in the experimental stage, it is probable that at least some will stick.

Kraushaar termed Jacksonville's showing Friday a good example of "organized confusion." However, he complimented the backfield with their work and said that, with some work on pass defense, they may be as good as he had expected.

Kraushaar and his two assistants, Hal Wimberly and Farrell Patterson, reported that the morale of the club is still high. The liking may have done the young outfit: considerable good. They at least know what football is like, their mentor stated. "Most of them didn't prior to last Friday night."

Southernmost people in the world are the Yahgan Indians who live on the south coast of Tierra del Fuego in Argentina.

It frequently is desirable to start in second or high gear to prevent rear wheels of an auto from spinning on ice on a slight grade.

Wyoming was the first state in the Union to provide for women suffrage, according to the Encyclopedia Britannica.

Wheat—September firm; others easy. Corn—September strong; others easy. Oats—Very little price change; about steady. Soybeans—Easy; late selling cancels gains. Hogs—Mostly 25 cents higher; Top \$29.50 sparingly. Cattle—Unevenly steady to \$1.00 lower; top \$41.50.

## Schoolboy Stars In All Sections Of Illinois Feted

Springfield, Ill., Sept. 13 — (P) — Schoolboys in nearly every section were acclaimed today for stand-out passing and running feats in weekend football getaways on downstate high school gridirons.

Halfback Jerry Benson of Casey came up with one of the classiest point-making exhibitions as Martinsville bawled, 48-0. After plunging for a first period touchdown, Benson scampered 16, 21 and 23 yards for three more in the second quarter and added a fifth on a 10 yard extra point later on. He tallied one extra point.

For distance, few matched the 85 yard scoring sprint of Jimmy Rogers, Macomb halfback. His team fell before Notre Dame of Quincy, 19-6.

End Al Kennelbrev bid for top thrill making honors by grabbing a 14 minute desperation forward pass that gave Springfield its game-winning touchdown in a 20-19 bout with Hillsboro. The ball bounced off the hands of three opposing players before Kennelbrev clutched it in the end zone.

Before 8,000 Pekin fans, Quarterback Harry Childress sparked Mooseheart's Ramblers to a 25-0 victory with his accurate aerial shoots. Childress hit three different receivers with touchdown passes in a last quarter scoring outburst.

Another nifty passing performance was turned in by Quarterback Jim Wheeler of Danville in his team's 26-19 triumph over Oakwood. Wheeler uncoiled touchdown heaves to Halfback Bobby Nield for Danville's first two scores, and went on to compile a game record of six completions in 11 attempts for 119 yards.

## Shortage Of Linemen As IC Opens Drills

Conditioning drills were served up back. Bob Grove of Canton, who enrolled after the first term last year, shows great promise at quarterback. Bill Gross, the Danville big boy, is being worked at fullback.

Coach Al Miller reported that he was well pleased with the showing of the 16 backs on hand. However, line coach Joe Brooks said that the shortage of linemen was even more acute than he had anticipated.

**Have Flankmen**  
Apparently fairly well fortified on the flanks with veterans Charles Due, Richard Frisky and Don Long-er and newcomer Ralph Christison of White Hall, the Blueboys need added strength inside. The loss of Aaron Preece at end may not be felt as greatly as has previously been thought.

Jim and Sam Spink, the Jacksonville twins and 1948 co-captains, are being depended upon at tackles, but Brooks would still like to find some suitable replacements. Another newcomer, Ralph Paxton, who Joe Hill brought over from Georgetown, looks like a corner at center. Paxton tasted college ball at Quincy last spring, but dropped out of school before the season opened. He is noted for his vicious tackling. Several members of last year's squad, including Chris Copeland, Charles Ransdell, Robert Harshman and of Canton, is showing promise in positions. A freshman, Paul Hurst, Robert Brand, are seeking tackle getting into the battle for a first team position. Gerald Lashinski is back and again trying at center. The loss of Parks, Howe and Cobb is serious, however. Bill Mathews of Chicago, who also played a little last year, has also been mentioned for a guard spot.

**Backfield Outlook**  
The picture in the backfield is more encouraging. Joe Hill, considered one of the leading backs in the conference in 1946 and 1947, is

Miller and Brooks said that all positions are still wide open. "We're not acquainted with all of the boys yet," they reported. "Some whom we haven't even mentioned may be in the starting lineup at Scott Field September 25."

**Still Seek Punter**  
Relief in the punting problem may be supplied by Lasley, who did considerable punting at Jacksonville high school. Some other new boys are also showing promise.

Three practice sessions daily will continue to be the policy at Illinois college throughout the week. First scrimmage has tentatively been slated for Wednesday. A rehearsal under game conditions will be staged Saturday.

**Service Station**  
Attendant Sets New Speed Record

Wendover, Utah, Sept. 13 — (P) — A stocky Hollywood service station rode a British-built machine at 150.855 miles per hour today to set a new world's motorcycle speed record.

Roland R. Free, 47, sent his two-cylinder cycle roaring along the same Bonneville salt flats course used a year ago by John Cobb of London to set a world's land speed record of 341.196 miles per hour.

The Californian rode his machine through the southbound measure mile in 24 seconds, then finished his record-shattering performance with a 23.90-second northbound spin.

The old record was 136.18 miles per hour, set by Joe Petrall at Daytona Beach, Fla., in 1937.

**THE STORY**

Dying in the Indian desert, British secret agent Hilary Shenstone feels a desperate need to get back to England and to Nana Farthing, his family home. He doesn't know the house has been let and that dreamy, 17-year-old Sabrina, whom he has never met, has adopted his old room and eagerly awaits his return. Hilary does return to England and to Nana Farthing—after death. He is in his old attic room when Sabrina comes up. She is unaware of his presence but Hilary manages to get through to her a little and she seems happy. Hilary realizes she is the girl he would have loved if he had lived. Next day, Sabrina learns of Hilary's death from his brother, George.

**XXI**

SABRINA, flung face down across Hilary's bed, drained dry of tears and spent with sobbing, heard them—too late—coming up the stairs. Hilary, who was hanging over her in an agony of helplessness—"But I'm here, my darling—I'm here, my love—come back to you, can't you understand?"—retreated to the far corner by the chest of drawers to watch whatever form of desecration George would choose to visit upon his brother's property.

He had been sitting by the window when George drove up, and so had witnessed the brief tableau under the tree, and Sabrina's stumbling escape to the house. Her first headlong dash for sanctuary had carried her blindly past her own bedroom door and into the second flight of stairs to him. But so far it was beyond his power to penetrate her grief with any sense of his usual invisible presence. Just as she was quieting, hoped to reach her once more with some form of comfort, George and Aunt Effie entered, followed by Mrs. Pilton carrying a pile of folded dust-sheets.

Sabrina sat up on the bed and looked at them bleakly, making no move to go.

"Oh, there you are, darling,"

came to them.

"Tidy blighter, wasn't he?" George was saying. "Not much to do after all. Oh, yes, his clothes. Mother said he took almost nothing with him that day, and the village people might as well have whatever's here." He went to the leaves of the wardrobe jar.

"No, no, you shan't touch his things!" cried Sabrina, and sprang up to snatch the wardrobe door out of his hand and slammed it shut and set her back against it protectively. "Haven't you any feeling—haven't you any common decency, to give his things away to the first village lout who happens to be the same size?"

"Mrs. Pilton," cried Sabrina, clinging to the wardrobe door. "Promise you won't take his things away! Promise you'll leave his clothes—"

The housekeeper straightened from swathing the bed in white, and her eyes met Sabrina's across it, and then went on to Aunt Effie's dismayed face, and came at last to George, who was wishing he had brought his mother along to tell him what to do.

"I think, sir, that at least for the time being—"

"Very well, Mrs. Pilton, I leave it entirely to you," he agreed hastily.

"Thank you, sir."

"Now, Sabrina, you're overwrought and hysterical," Aunt Effie said in urgent arm about her. "I want you to come along to your room and lie down quietly till dinner time."

Thwarted, rebellious, convinced of some deliberate conspiracy against herself, and against Hilary if it came to that, Sabrina allowed Aunt Effie to lead her away towards her own room. She glanced back from the top of the stairs, and saw George reaching to draw the curtains across the sunny window by the desk, and noticed how his coat pulled in ugly straining wrinkles across his ugly fat back.

## Set Conference Today To Determine Removal Of Asphalt Pavement

How much old asphalt should come up before new asphalt goes down on the South Clay avenue pavement, about to be constructed, will be the subject of a conference this evening between a committee of property owners, councilmen, engineers and contractor's representatives.

The conference, which may include a bit of pecking at old asphalt to see just how firmly it adheres to the brick foundation, is scheduled for 5:30 p.m. at South Clay and Beecher avenues.

The investigating group probably will move south along the present pavement, which a property owners' committee told the council last night should be cleared of old, cracked asphalt before the new surface is laid.

### Speaks For Property Owners

Harold J. Wright, spokesman for several South Clay property owners, said from their observation the contractor is not removing all loose asphalt, although paving operations are almost ready to commence. He

said a hose was turned on the pavement and some old asphalt was washed off, but the large areas remain that he believes would make a new pavement foundation insecure.

He was joined in A. C. Jantzen, another South Clay resident, in asserting that large patches of the present surface, laid 13 years ago, are loose and should be taken up before fresh material is applied.

Kenneth Stapleton, engineer, stated that the contract calls for the removal of loose asphalt, but that the state would not pay for a full-scale removal of old material.

Mayor Hoagland declared that "all that's loose should come up!" Alderman Chumley said laying new asphalt on old, slippery material would be "just like laying a pavement on ashes." It was his suggestion that everyone concerned get together this evening, inspect the pavement and try to reach an agreement on how extensive the removal of worn out surfacing should be.

The South Clay pavement will be laid this fall from College to Morton avenues, paid for with motor fuel tax funds and special assessments against adjoining property. Employees of the Sangamo Construction Company are already preparing the avenue for its new face.

**Desk Sergeant Resigns**  
The resignation of Desk Sergeant Earl Hutson from the police department was announced by Mayor Hoagland, who said the vacancy will be filled from the civil service list. Hutson took a leave of absence some time ago, later deciding to resign because of other business.

Drainage of an area in the vicinity of North Church street and Capps factory was discussed during a report of the sewer committee.

Alderman Henderson moved, seconded by Alderman Kelly, that a storm relief sewer be constructed beginning at a point near the Wash-bash railroad. The motion passed, after which its content was passed on to the engineer.

A report presented by Alderman Henderson of the garage committee showed the consumption of 1126 gallons of gasoline and 97 quarts of oil by city-owned vehicles during August.

### Young Trees Thriving

Alderman Kelly announced that he visited the Lake Jacksonville area in company with a forester of the state conservation department to make a survey of young trees planted on marginal lands. The forester said he was informed by the state expert that 80 to 85 per cent of the 10,000 young trees planted last spring are alive and thriving. Five thousand more trees have been ordered for planting around the lake.

An ordinance to name a new street in the third ward Huber street was given first reading on motion of Alderman Kelly, seconded by Alderman Chumley, and laid over until the next session. Huber street extends parallel with Clay avenue and South East street, from Kentucky street south past Morton avenue.

**Reports Work At Plants**  
Alderman Chumley of the water and light committee brought to the council an interesting resume of expansion work in progress at the light and water plants. He said the large basin at the filtration plant is nearly ready for service. The new generating unit is well under way at the light plant.

Alderman Reid of the fire committee announced that a new American LaFrance 100 aerial ladder truck has been shipped to Danville, and that a similar truck which Jacksonville has on order may be delivered sooner than expected.

Anna B. Cline, treasurer, submitted her report as of the last day in August, showing a balance of \$12,702.75 in the general fund. The parking meter fund now has a balance of \$15,859.75.

City Clerk Phillips collected \$2,042.64 during the past month. The report of Police Magistrate Russell J. Alvarez showed \$127.80 collected in fines, which were the result of 13 city cases and two state complaints.

Alderman Flynn called attention to a leak which appeared in the drinking fountain in the fire department. The city hall committee was authorized to have the trouble fixed, on motion of Alderman Chumley, seconded by Alderman Henderson.

## Graveside Rites Wednesday For Carey B. Payne

Virginia—Carey B. Payne of Kansas City, Mo., formerly of Virginia, died in Tulsa, Okla., Saturday afternoon following a heart attack. His father was formerly a clothing merchant here many years ago. He leaves four sisters; Mrs. R. D. Whitaker, Wichita, Kansas; Miss Irene Payne, Palo Alto, California; Mrs. R. J. Reeve, Kansas City, Missouri; Mrs. William Tamblin, of Kansas City, Missouri.

The remains will be brought to the home of his cousin, Miss Iva Lancaster in Virginia Wednesday morning. Graveside services will be held at Walnut Ridge cemetery at 1 p.m. standard time. Rev. L. R. Cornkrite of the Christian church will officiate.

## Former White Hall Man, Army General, Dies In The East

White Hall—Major Gen. Charles H. Bridges, 75, of Washington, former Adjutant General of the United States Army, died Sept. 11 after a short illness. The retired army officer, who was the adjutant general from 1929-33, died at the home of his niece, Mrs. Peter Place Cook of Sandwich, Mass.

Born in White Hall, General Bridges graduated from West Point in 1897 and served as a lieutenant in the Santiago campaign of the Spanish-American War. Funeral services will be at Arlington, Va., Tuesday, with burial in Arlington National Cemetery.

**To Represent Auxiliary**  
Mrs. Ruth Nettles will leave Tuesday for Chicago, where she will represent District 20 as its director at the annual convention, Department of Illinois, American Legion Auxiliary, at the Palmer House in Chicago. Mrs. Nettles will attend a special board meeting on Thursday.

Mrs. Nettles will spend about three weeks in Chicago visiting relatives and friends after the convention closes. She plans to attend the national convention of the American Legion Auxiliary at Miami, Florida, in October.

Mr. and Mrs. Neil Robertson and two sons of Winchester accompanied Mr. and Mrs. John Friend on a picnic Sunday.

## Eileen Stewart, Leonard Smith Wed In Tennessee

Winchester—Eileen Stewart and Leonard Smith were married August 17, 1948 at Union City, Tennessee. The bride is the daughter of Mrs. Ray Campbell of Winchester. The groom is the son of Curtiss Smith of Pittsfield.

The couple will live in Winchester where Mr. Smith is employed in the tractor and implements department of Campbell's Garage. He served four years in World War II.

The Winchester Evening Unit of the Morgan-Scott Home Bureau will meet Tuesday evening at 8:00 p.m. at the home of Mrs. Woodrow King. Mrs. Gladys Gish and Bud Sharp, both of Morrisonville, were married Saturday, September 10 at the Methodist parsonage by the Rev. Ralph E. Jasper.

They were attended by Dorothy and Gladys Reddick. Mr. and Mrs. Kenneth Cunningham went to St. Louis Friday to purchase a Savers and Scobell Landau Cadillac ambulance. Mr. and Mrs. Cunningham drove it back.

Jonas Lashmet, Russell Little, George Peak, accompanied by Mrs. Ralph Peak and Mrs. Audrey Lashmet left Sunday to enter college at Normal State College, Bloomington.

Miss Margaret O'Donnell spent the week end in Springfield. Mrs. Harry Gidney is a patient at Our Saviour's hospital.

Miss Madeline Evans left Monday morning to attend school at Illinois State Normal University, Normal, Ill. Miss Ann Marie Ring left Sunday for St. Francis College, Joliet, where she will be a junior this term. She was accompanied by her two aunts, Anna and Nelle Ring, her sister, Rose Cecile, and brother, Albert.

## Cows Bring Good Prices At Sale

Many farmers and dairymen of west central Illinois attended Monday's action of the Wilcox estate held on the Holland Wilcox farm one mile south of Nortonville.

Fifty-six head of grade Holstein cattle and a limited amount of farm machinery were sold.

The 30 cows brought an average of \$277. The top cow, a heavy springer, brought \$320. The top heifer went for \$226 and calves ranged from \$40 to \$80.

A field silage cutter sold for \$890. The Middendorf Brothers, Luke J. Gualle and Elvis Spencer were the auctioneers.

Although it has never been officially designated, the Road Runner commonly called the Chaparral bird, is generally regarded as the State Bird of New Mexico.

## A Traveling Sitting Hen

"Happy" Mann of Naples checks the welfare of his pet bantam brooding a nest of eggs on the back seat of the family car. Betsy glowers at the photographer.

## Rather Odd Spot For Nest, But Betsy Likes It

By Cecil Tendick  
Naples—Betsy is a spirited and determined bantam hen. Despite the season, Betsy decided about three weeks ago to hatch out a few chicks. And she chose a most unusual spot for her nest, the back seat of the family car.

Wherever the car went, she went along, clucking in a hostile fashion whenever the 1931 Chevrolet hit a chuck-hole in the Naples-Bluffs road. Her zeal was rewarded; first downy chick broke through its shell Monday morning.

Thomas C. Mann, much better known in the Naples area as "Happy" Mann, is an admirer of bantam chickens. He has a couple of dozen of them, all black with yellow pencilling on the neck.

"The Chicken Coop"  
"People have always called my car 'the chicken coop' and I guess they're right," Happy smilingly admitted. "The banties lay their eggs in the car all the time. Whenever I get home I always open the back door of the old crate. A lot of times, there's one or two hens waiting for the car to get back. They jump right in and go to work."

Betsy and her six eggs made about ten trips to Bluffs. On two occasions she got out of the car and strutted around the village for a few moments. Altogether she aroused considerable interest. Many doubters came around to inspect and to verify.

**Complained Of Bumps**  
"Betsy sure didn't have to bother about turning those eggs," Happy declared. "They got jolted around plenty whenever we hit the ruts and wheelbarrows of the gravel road. One had bounce and she'd really fuss, and scold."

Last Thursday Betsy got out of the car for a drink of water, or a bite to eat, or something. Happy wanted to go to the postoffice. He looked around for a moment and then took off, without her.

When he returned a few minutes later he was greeted by a little hen madder than the proverbial wet hen. "She was really shaking and fussing," Happy related.

Two years old, Betsy weighs about a pound and a half.

If one female fly started a line of "hatch-proof" eggs that would produce 131,000,000,000,000,000 descendants within six months.

## Rising Costs Catching Up With Earnings Of Farmers

Examination of account records maintained by the cooperating farmer members of the Farm Bureau farm management services shows that the cost of production has bounded high and is threatening to overtake the prosperous levels agriculture has reached in the past few years.

This point was emphasized by the speakers appearing on the Morgan county tour Monday, when a small group of farmers visited two above average income producing farms.

In the morning the C. Otto Nickel farm near Concord was examined. In the afternoon the group visited the Charles McGuire farm near Murrayville.

**Expenses Up Greatly**  
Franklin Reiss, agriculture economist from the University of Illinois, praised "the rather unique cooperation where farmers pool information to serve as guidesposts for future planning."

Agriculture is enjoying another banner year, he declared. Crops are excellent and most prices approach parity. Financially it is in a very enviable position, with a very low mortgage indebtedness.

But costs, not only those of production but particularly those of marketing, are jumping every day. **Appt To Stay High**  
"Worst of all, they won't decline in anything like the same ratio that farm prices will fall," he predicted.

## Sidney L. Smith Of Roodhouse Dies At Hospital

Roodhouse—Sidney Lee Smith, for 33 years proprietor of the Smith Billiard and Pool Hall here, died Sunday at 11:15 p.m. at Our Saviour's hospital, where he had been a patient for the past four weeks.

## Reorganize Choir At Grace Church Here Tonight

James Welch will resume his duties as director of the senior choir of Grace church tonight when the group meets for its first practice of the season. Mr. Welch is Minister of Music at the church.

The choir director sang the major role in the opera "Down in the Valley," which was presented at the University of Indiana this summer. He continued his graduate work at the university.

In addition to the special music by the choir next Sunday morning, a solo will be presented by Mr. Welch.

Plans are also being made for a junior choir and a beginner's choir.

## Nona Reynolds And Richard Gossdorf Wed In Galesburg

The Congressional church in Galesburg, Illinois, was the scene of a lovely wedding ceremony Saturday, Sept. 5, in which Miss Nona Reynolds, daughter of Mr. and Mrs. John Reynolds, Jacksonville, Rural Route 5, became the bride of Richard Gossdorf, son of Mrs. Geraldine Allen, 368 Whitesboro avenue, Galesburg, Illinois.

The Rev. Allen Jenkins, pastor, received the vows in a lovely single ring ceremony performed at 4 p.m. before a candlelit altar in the chapel of the church.

The bride was given in marriage by S/Sgt. Russell O. Brown. Mr. and Mrs. Robert Kessinger, friends of the bridal couple, were matron of honor and best man.

**Wear Matching Suits**  
The bride and groom were dressed in matching suits of light tan with white accessories. A corsage of yellow roses was worn by the bride.

A grey suit with matching accessories, enhanced by a corsage of red roses, was worn by the matron of honor. Mrs. Allen, mother of the bridegroom, chose a sheer navy blue dress with black accessories. Her corsage was of red carnations.

Immediately following the ceremony a buffet supper was served at a reception held at the home of the bridegroom's mother. A serving table, decorated with cut flowers, was centered with a wedding cake. Assisting with the serving were Mrs. Betty Mercer, sister of the bridegroom, Mrs. Ethel Cox, and Mrs. Robert Kessinger, both of Jacksonville.

**Leave On Wedding Trip**  
After the reception the couple left on a short wedding trip. For traveling the bride chose a light blue suit, wearing her bridal corsage of yellow roses.

Out of town guests included Mr. and Mrs. Robert Kessinger and daughter, Linda, Mrs. Ethel Cox, all of Jacksonville, and S/Sgt. Russell Brown of Ashland.

Upon returning from their wedding trip, the couple will be at home at 503 South Church, Jacksonville.

Entering students of MacMurray College met in Music Hall at 11 a.m. Monday to receive a greeting from President C. P. McClelland, Yvonne Schroder, chairman of the S.O.S. counselors, introduced the president to the assembly.

In his welcoming message, Dr. McClelland expressed the hope that the new college students successfully combine seriousness of purpose with fun in their great venture.

"I believe there is a divine purpose in the coming here of each individual," he said. "You are the results of something that has happened or is happening in the world. Even in America, where opportunity for higher education is greater than in any other country, you are part of a very small and favored group."

**Success Important**  
He reminded the girls that a college is the fruit of gifts and sacrifices by many people, neither students nor parents, who believe in the power of education.

"Thus," he said, "your success is important, not only to yourself and your family, but to many others."

## James Sherrill, 93, Of Virginia Dies; Rites Wednesday

Virginia—James Sherrill, aged 93, died at Schmitt Memorial hospital, Sunday night at about 11:30. He made his home in the Robertson building on the north side of the square and could be seen most every day sitting in the court house park in his rocking chair, which the Kiwanis Club obtained for him.

Suffering from a stroke sometime Saturday night, he was found by his daughter, Mrs. James Hankins, Sunday morning and taken to the hospital. He never regained consciousness.

Funeral services will be held at the Christian church Wednesday afternoon at 2:30 p.m., standard time, the Rev. L. R. Cornkrite officiating. Burial will be at Walnut Ridge Cemetery. Besides his daughter, Mrs. Hankins, he has one son, Lee Sherrill both of Virginia and many grandchildren and great grandchildren.

He spent most of his early life feeding livestock and in trapping and gathering herbs in the timbers surrounding Virginia. He was Virginia's oldest male resident, residing here 75 years.

**Local Coon Hound Wins Two Purple Ribbons Sunday**

Liz, a black and tan coonhound owned by Carl Robinson, 222 N. Franklin street, added additional laurels to her collection Sunday when she won the purple rosette for best of breed at bench shows held at Ocean Trail park and at Hardin.

A foxhound owned and shown by Jesse Wight of Jacksonville, won the same distinction at the night show in Hardin.

The show held at the park Sunday afternoon closed a successful three day meet sponsored by the Western Illinois Fox and Coon Hunters association. More than 300 hounds were brought from a dozen counties in Illinois and Missouri.

Wahoon Sam, owned by George F. Clark of Eldred, won the combination trophy by placing second on the bench and winning the same position in the actual chase in which all the hounds were entered on Friday and Saturday mornings.

Some of the classes were exceptionally large. Altogether there were 17 entries in the coon hound derby division.

T. C. Wells of Bowling Green, Mo. judged the fox hounds and George Seal of Jacksonville judged the coon hounds.

Among the winners in the first section of the show were Ellis Wade of Winchester, Truman Wolfley, H. J. Ellison and Dewey Maholland of Carrollton and Fred Kirchner of Virginia.

Prize winning coon hounds were shown by John Kirkback of Carrollton, Fred West of Beardstown, Harold Merthole and J. P. Monte of Bluffs, Lawrence Allen and Albe Loelke of Jerseyville and Earl Norrup of Jacksonville.

**Jay Cees Conduct Regular Meeting**

The Jacksonville Junior Chamber of Commerce met at Hamilton's Cafe Monday evening. President Bill Ranson presided over the session.

During the business meeting, John Bellatti, chairman of the athletic committee, thanked all the members who helped put over Jacksonville Day at Sportsman's Park in St. Louis.

Guests at the meeting were Niles Strawmatt, Tom Eades, Russell Penell, Willie Barber, and Ralph Thompson.
